Experience & Personal Achievements

Senior Graphic Designer, TD Wealth
February 2023–present

- Lead and delivered on various large scale events designed to increase client engagement within TD Wealth through the use of unique digital and print tactics, leading to cost savings year after year.
- Art directed and lead on many print materials used to retain clients and increase engagement within physical TD branches across Canada.

Graphic Designer, Right To Play International
March 2016–February 2023

- Lead branding for various projects designed to increase social awareness and drive donations for Right To Play through the use of tailored digital and print tactics.
- Art directed and lead on branding for Right To Play's new office space that hosted many high-profile donor visits which in turn provided unrestricted and restricted donations.
- Art directed branding and donor collateral for Right To Play and modernized their digital platforms utilizing the new brand elements.

Graphic Design Intern, Right To Play International
January 2016–March 2016

- Conceptualized new ways to approach story telling through infographics which increased productivity.
